The 19th Annual Cranberry Festival

The Venango Area Chamber of Commerce is pleased to present this schedule of events for the 2020 Cranberry Festival.

The festival is possible through the generous support of our sponsors, volunteers, and the Township of Cranberry.

This year's festival will follow all CDC safety guidelines and our number one goal is to keep everyone safe while bringing a little fun to Cranberry.

We will be giving out free goodie bags to children, hosting a car cruise-through, a fireworks display and more.

We know this year looks a little different, and we hope to join you again in Morrison Park for 2021.

Thank you for being flexible, understanding, and supporting your community!

~2020 Cranberry Festival Committee

Please note that all events and activities are subject to change and/or cancellation at the Chamber and festival committee's discretion.
