

# Nominate a young professional for Young Professional of the Year!

**FLEX Presents** is an annual event that celebrates the achievements of local young professionals who contribute to their community through **civic engagement, entrepreneurship, and leadership.**

We recognize the value of retaining and attracting talented and motivated young professionals. And one way we do that is by recognizing and appreciating those who choose to contribute through their work and volunteer efforts right here and right now.

We encourage you to pay careful attention to the young professionals that you encounter each day and help us celebrate our most valuable assets who are the future of our region.
